

XX MOSTRA NACIONAL DE TEATRE AMATEUR from April the 26th to April the 28th 2024 in Pineda de Mar

The 20th edition of the Mostra Nacional de Teatre Amateur, "**LA MOSTRA**", in Pineda de Mar, is gearing up. Once again, we would like to have the participation of a company associated with our CIFTA federation. For this reason, we thank you for promoting our festival to your associates. Among the submissions received before 30/11/2023, our selection committee will choose one. The final program will be made public on March 15, 2024.

The participation conditions for "La Mostra" are as follows: The organization will cover shared room accommodation and meals for two days (from dinner on the 26th to lunch on the 28th), for a maximum of 10 participants (actors, actresses, director, and two technicians). Travel expenses to Pineda de Mar, as well as supplements for a single room, will be the responsibility of the participants. The cost of accommodation and meals for accompanying persons will be communicated before March 15 so that they can be managed by the festival organization at a competitive price.

Costumes, props, and set design are the responsibility of the participating company. The organization only provides a properly equipped venue and the corresponding technical staff. Technical specifications of the theaters will be communicated to participating companies well in advance.

Participating companies have 120 minutes for setup before the performance and 60 minutes for dismantling afterward.

Participating companies are responsible for obtaining the necessary performance permissions from the relevant regulatory body.

Companies interested in participating should send us, along with all information about the play (title, author, duration, cast, etc.), a link to a recording of the proposed play so that it can be evaluated by our selection committee.
